

PARAMOUNT TENNIS CLUB – MEDINA
NEW JUNIOR PROGRAM ENROLLMENT POLICY
Effective September 27, 2021

Dear Parents

We find it necessary to prioritize student registration for Junior clinics. A wait list will be maintained to facilitate the registration process fairly.

Members currently enrolled in classes may PRE-REGISTER at any time for next sessions class. PRE-REGISTRATION ends one week prior to the new session. Everyone else will be placed on a wait list for a specific class and prioritized in the following order...

1. Paramount members who are not currently enrolled in class
2. Non-members who are enrolled in the current class
3. Non-members new to our programs

The wait listed students will be notified of class openings one week prior to the start of the new class.

*** Due to the popularity of our junior programs, it is possible for non- members to be shut out of next session. Non-members might consider taking out a junior membership to gain priority.

Make-up classes will be limited to only one per session and cannot be guaranteed when classes are fully booked. Students must call off in advance to be eligible to make-up a class.

Thank you for your patronage and understanding.
